Attendance

- **In person:** Susan, Joe, Judy, Nancy, Brice, Lynn, Margaret, Toby, Laurie, Jon, and Liz
- **Via Zoom:** Jill, Joyce, and Adam
- **Proxies:** Jon held the proxy for Patty. Toby held the proxies for Amy, Adam, and Shirley.

1. Approval of Prior Minutes

> **Vote:** The minutes of the October 2024 Annual Meeting were approved unanimously.

2. Budget Review

Overall spending was in line with the prior year. Items discussed included:

- **Major expense:** A required water tank expense of $3,100 was the most significant cost of the year.
- **Gas leak:** A gas leak was identified and has been repaired.
- **Legal fees:** The 2026 budget takes into account legal fees - last year of fees.
- **Recommended projects:** Capital work will continue with walkways only, with a proposed budget of $4,500. The railroad ties also need to be evaluated.
- **Propane and interior gas lines:** As a risk-management measure, Lynn will coordinate with F.A. Day to inspect interior gas lines for leaks. The cost will be billed individually to each cottage.
- **Fire mitigation:** Plantings around the cottages will be cut back. Owners are also asked to monitor grills and to avoid grilling on windy days.
- **Trash collection:** Pick-up service through Seaside was discussed, with due diligence to ensure the selection is cost-effective.
- **Insurance:** Owners discussed valuing the cottages individually at replacement cost rather than in aggregate. $2,000 has been allocated for this valuation.
- **Taxes:** An owner raised a concern that taxes are too high. Judy will review. Clarification – Tax preparation is too high.
- **Condominium fees:** It was suggested that condominium fees be itemized in the next budget.

> **Vote:** The budget was approved.

3. Condominium Fee Increase

> **Vote:** Fee increase Option 1 was approved unanimously, with the request that the Trustees explore ways to reduce variable costs.

4. Treasurer

Laurie is stepping down as Treasurer, and Toby has volunteered to serve in the role.

> **Vote:** Toby was unanimously approved as Treasurer. The Association thanks Laurie for her service.

5. Beneficial Interest

A committee of Jon, Susan, and Liz was formed to research the basis for the current allocation of beneficial interest, along with applicable state law and relevant facts.

> **Vote:** The owners approved exploring alternative methods for dividing beneficial interest.

6. Seasonal Opening and Closing

A new shutter hardware system was presented. Please refer to the handout for details.

7. Short-Term Rentals and Conservation Easement

A committee of Nancy and Susan was formed to gather information on options, restrictions, and benefits related to short-term rentals and a conservation easement, and to report back to the owners.

8. Dog Policy Update

Owners agreed to post photos of all dogs, identified by owner, on the Association website. The current policy is working well.

9. Dune Stewardship

No action is required at this time. Placing brush under the stairs has been helpful in maintaining the dune and should continue.

10. Electrical Infrastructure

No action at this time.

11. Water Testing

Results were good, with all measurements below EPA standards.

12. Property Management

Please refer to the property management reports.

13. New Business

- **Communication:** One owner expressed concern about a lack of communication from the Board.
- **Laundry area:** Lynn will create a monthly rotation of owners responsible for supplying laundry detergent and keeping the area clean.
