Notes

• The $20,000 is a total increase to the association, split among owners by beneficial interest. If you meant $20,000 per unit instead, say so and the sheet changes.

• Beneficial interest percentages are from the Corn Hill Proposed Budget 10/1/18–9/30/19 (proposed-budget-18-19 corn hill.pdf). Confirm against the current Master Deed/Declaration of Trust — the beneficial interest revision has been on the agenda.

• Owner names are from the Corn Hill Cottages Address List (CornHIllAddresses.pdf, April 2026).

Partial payment by December, paid in full by April 1st

• Blue = inputs; yellow cell C4 is the amount to change.
